# GREAT WINES OF THE NORTHWEST

## MARK RYAN WINERY

Mark Ryan McNeilly founded Mark Ryan Winery in 1999 with the goal of making the best wines in Washington State. Largely self-taught, Mark honed the craft of winemaking through rigorous study and the welcomed advice of some of the area's most experienced producers.

In the early years the winery was transient. The first vintages of Long Haul and Dead Horse were produced, crushed and pressed in garages of friends and family - barrels were aged in warehouses in the Seattle Area - and finally, in 2003, the young winery settled in Woodinville, WA.

Over a decade later, Mark Ryan Winery has grown in size, earned acclaim from wine-lovers and critics alike, and garnered respect from the state's elite producers. The goal, however, remains the same. Make delicious wines that represent the vineyard from which they come, making every vintage better than the last...

## SPRING VALLEY

### VINEYARD

#### SIX GENERATIONS OF FAMILY FARMERS

The land that the Corkrum, Derby, and Elvin families farm today is rich with history dating back to the mid 1800's, when current vineyard owner Shari Corkrum Derby's grandfather Uriah Corkrum began farming in the area. To honor the family heritage, the wines are named for those ancestors and reflect the expressive character of the land. Situated 12 miles northeast of Walla Walla, Washington, Spring Valley Vineyard basks in the reflective nature of its surroundings, the picturesque wheat fields of the Corkrum Derby homestead. A true estate winery, only fruit grown in the estate vineyards goes into these highly acclaimed wines, all handcrafted by their winemaker Serge Laville. Since joining the team in 2002, he has been committed to carrying on the traditions he learned from Spring Valley's founding winemaker, Devin Corkrum Derby.

# FEATURED *Winery*

## WILLAKENZIE ESTATE

Passion for Pinot with a Sense of Place is what defines Willakenzie Estate, a family owned winery located in the heart of the Willamette Valley. The winery is named after the sedimentary soil on which the vines are planted to reflect the ultimate expression of “terroir”.

After a successful career in high tech founder Bernard Lacroute decided to return to his Burgundian roots and purchased the 420 acre cattle farm in 1991. Planting started in 1992 and the first wine was made in 1995 in the newly built gravity fed winery.

Ronni and Bernard decided to settle in Oregon because they believe that it is the best region in North America where Pinot Noir can be made. We tend to agree.

## RARE COLLECTION

### FOUR ROSES SINGLE BARREL EL GAUCHO PRIVATE SELECTION

From time to time, a limited number of exceptionally smooth and complex barrels present themselves to Four Roses Master Distiller Brent Elliot. Each barrel is aged between 9 and 11 years. They then invite their customers to a private tasting and selection of their favorite barrels. Once chosen, each selection is bottled and private labeled as a non-chill filtered Single Barrel at Barrel Strength in limited quantities of approximately 150 - 200 bottles.

Our selection is from the OBSQ recipe which contains 60% corn, 35% Rye, and 5% malted barley. It was aged for 9 years and 8 months in wearhouse LE, and was bottled at barrel strength of 124 proof.

## PAPPY VAN WINKLE

The Old Rip Van Winkle Distillery has a four generation history. The Van Winkle family's involvement in the bourbon industry began in the late 1800s with Julian P. "Pappy" Van Winkle, Sr. He was a traveling salesman for the W.L. Weller and Sons wholesale house in Louisville, traveling around the state by horse and buggy. Pappy and a friend, Alex Farnsley, eventually bought the wholesale house and also purchased the A. Ph. Stitzel Distillery, which made bourbon for Weller.

They merged the two companies and became the Stitzel-Weller Distillery.

Aside from the rich family history, Van Winkle bourbons are special for another important reason, their recipe. All of the Van Winkle bourbons are made with corn, wheat, and, barley instead of corn, rye and, barley. This "wheated" recipe gives the bourbon a much softer, smoother taste and it also allows the whiskey to age more gracefully.
