The Bergström work ethic is rooted in the mantra: "1000 days of effort." It takes Bergström three years to farm, ferment, age, and finish every single bottle before bringing the wine to market.

Bergström Wines believes that the greatest source of new world Pinot Noir and Chardonnay is Oregon's Willamette Valley. Their wines do not come from large-scale industrial manufacturing, but from a natural, smaller and simpler process, marrying artisan to agriculture.

Bergström's dedicated farming team stewards 70 acres of ecosystem across 5 unique estate vineyard properties in the Dundee Hills, Chehalem Mountains, and Ribbon Ridge AVAs. From the inception of their vineyards in 1999, their estates have been farmed without the use of herbicides, pesticides, insecticides, or systemic chemicals. They also prefer composting and treating with homeopathic herbal and mineral teas, rather than using synthetic fertilizers, and the winery produces approximately 10,000 cases of ultra-premium and extremely sought-after wine each year.

Since 1999, the family and team have been working towards a vision of stewarding naturally and responsibly farmed, estate vineyard terroirs that best represent the diverse appellations of our world-class Willamette Valley. Their Pinot Noirs, Chardonnays, and Syrahs are a three-dimensional vinous tour of our beautiful state's ancient volcanic and marine sedimentary hillsides.

They give thanks to those who continue to make their labor of love possible!

# Cayuse

In a seemingly infertile and cumbersome patch of farmland in the Walla Walla Valley, Christophe Baron saw potential. With terrain most similar to the cobblestoned vineyards of Châteauneuf-du-Pape, Baron was inspired to create incredible food-friendly wines rivaling the greatest regions of France's Rhône Valley. His foresight to make those vines struggle in such harsh terrain is much to our benefit. El Gaucho is delighted to have the opportunity to offer these universally-lauded wines for, what will likely be, a short time.

# Rodney Strong

Camas Washington born! Our story begins more than 60 years ago, when Washington native Rod Strong settled in Sonoma County to pursue a lifelong creative passion: winemaking. Rodney Strong Vineyards was the 13th winery bonded in the newly discovered Sonoma County wine industry. Rod was the first winemaker to create a single vineyard Cabernet Sauvignon in Sonoma in 1974 from Alexander's Crown vineyard- our Flagship vineyard. The wine was published in Robert Parker's first issue of the wine Advocate in 1978. Known as the most historic Cabernet site in Sonoma, The winery continues to produce world class wines from Alexander's Crown and two other prestige Vineyards that have been acquired over the last several decades: Rockaway and Brothers. Through the years, Rodney Strong has earned the reputation for critically acclaimed Single Vineyard and Reserve wines. The portfolio has two new additions to the family: Rowen Wine Co. And Davis Bynum Winery.
