# Bergström

The Bergström work ethic is rooted in the mantra: "1000 days of effort." It takes Bergström three years to farm, ferment, age, and finish every single bottle before bringing the wine to market.

Bergström Wines believes that the greatest source of new world Pinot Noir and Chardonnay is Oregon's Willamette Valley. Their wines do not come from large-scale industrial manufacturing, but from a natural, smaller and simpler process, marrying artisan to agriculture.

Bergström's dedicated farming team stewards 70 acres of ecosystem across 5 unique estate vineyard properties in the Dundee Hills, Chehalem Mountains, and Ribbon Ridge AVAs. From the inception of their vineyards in 1999, their estates have been farmed without the use of herbicides, pesticides, insecticides, or systemic chemicals. They also prefer composting and treating with homeopathic herbal and mineral teas, rather than using synthetic fertilizers, and the winery produces approximately 10,000 cases of ultra-premium and extremely sought-after wine each year.

Since 1999, the family and team have been working towards a vision of stewarding naturally and responsibly farmed, estate vineyard terroirs that best represent the diverse appellations of our world-class Willamette Valley. Their Pinot Noirs, Chardonnays, and Syrahs are a three-dimensional vinous tour of our beautiful state's ancient volcanic and marine sedimentary hillsides.

They give thanks to those who continue to make their labor of love possible!

# Cayuse

In a seemingly infertile and cumbersome patch of farmland in the Walla Walla Valley, Christophe Baron saw potential. With terrain most similar to the cobblestoned vineyards of Châteauneuf-du-Pape, Baron was inspired to create incredible food-friendly wines rivaling the greatest regions of France's Rhône Valley. His foresight to make those vines struggle in such harsh terrain is much to our benefit. El Gaucho is delighted to have the opportunity to offer these universally-lauded wines for, what will likely be, a short time.

# Horsepower

The descendent of a centuries old Champagne house, Christophe Baron found himself with the ability to continue his family's legacy in the Walla Walla Valley. Baron's grandfather's last vineyard horse was retired in 1957. With the success of Cayuse established, Baron set out to continue the tradition of his forefathers. In the most densely planted vines you will find in the Walla Walla Valley, Baron has crafted a vineyard that is not accessible by modern farming equipment. Utilizing five horses to tend to and till the vineyard, Baron is maintaining his roots crafting powerful and unique wine from vineyards so utterly unto their own.
