

## FEATURED WINES

In 1986, with family, belongings and 10 barrels in tow, Ken moved to Oregon, where he believed the finest Pinot Noir in North America was being grown. His concept of focusing on vineyard-designate bottling was cemented as a core philosophy in 1994 when Ken Wright Cellars was founded in historic downtown Carlton. Ken Wright Cellars is devoted to showcasing the inherent quality of selected vineyard sites. With a clarity and breadth that is unequaled by other varieties, Pinot Noir is the ultimate vehicle for conveying the aroma, flavor and texture of the location in which it is grown. Ken Wright Cellars produces a single vineyard Pinot Noir from 13 different vineyard sites in the Northern Willamette Valley. Each vineyard, further separated by clones, is hand sorted, fermented in small open vat fermenters until dryness, then pressed and aged separately. Each of Ken Wright Cellars single vineyard Pinot noir, has its own label artwork designed by local artist, David Berkvam. David worked closely with the Wright's and vineyard owners to create a label that was unique for each site.

## Winery OF THE MONTH

# JM CELLARS

John and Peggy Bigelow began JM Cellars in the fall of 1998 after converting their basement into a small production space. Twenty-three harvests later, John has increased production to 8,000 cases producing new world wines using old world winemaking techniques. Drawing inspiration from various wine regions across the world, John experiments and tries new approaches whenever he tastes something new that he loves. Small production lots allow John and JM's winemaking team the pleasure of producing a broad selection of distinguished wines that showcase the region in which they were grown.

## FEATURED SPIRITS

### EL GAUCHO COLONEL E.H. TAYLOR SINGLE BARREL SELECT

NEAT OR ROCKS | 40

Edmund Haynes Taylor was known for many things. He was mayor of Frankfort KY for 16 consecutive years, he was awarded the honorific designation of Kentucky Colonel, and was a prominent figure in the distilling industry. However it's likely that he's known best for pushing forward the Bottled in Bond act of 1897, the first Consumer Protection act in the US, designating legal definitions for what good American Whiskey can and cannot be. That's why today E.H. Taylor whiskey is primarily labeled as Bottled-in-Bond whiskey, a former benchmark of quality, and an homage to the man who made it happen. This Single Barrel of E.H. Taylor Bourbon #017, expertly selected by the team at El Gaucho, was distilled January 29th, 2014, and bottle 9 years later. It was aged primarily on the first floor of the legendary Warehouse H.

### EL GAUCHO EAGLE RARE SINGLE BARREL SELECT

NEAT OR ROCKS | 24

Created by Master Distiller Charles Beam for the Seagram's Company in 1975, Eagle Rare has stood the test of time due to its unique 10-year age statement and former Single Barrel designation. It is now part of the highly awarded Low Rye Mash #1 from Buffalo Trace Distillery and is sought out for its delicate balance of oak, fruit, leather, pipe tobacco, all woven together that come only with time and patience.

This Single Barrel #258 was expertly selected by the team at El Gaucho and distilled May 9, 2012 and aged in the legendary Warehouse H at Buffalo Trace Distillery.

### EL GAUCHO KNOB CREEK SINGLE BARREL SELECT

NEAT OR ROCKS | 18

Knob Creek Single Barrel Kentucky Straight Bourbon is seasoned by time and crafted with effort to delivery grounded, full American Whiskey character through traditional, tried-and-true bourbon making processes. Building off the popularity of Knob Creek Bourbon Whiskey, 7th generation master distiller Fred Noe set out to create Knob Creek Single Barrel Select Whiskey with one purpose: to achieve an even bolder expression of Knob Creek's signature bourbon. This expression is exemplary of the full flavor nuances of the Knob Creek portfolio, inspired by the vision that Booker set out to create.
