Since founding Quilceda Creek in 1978, the Golitzin family has relentlessly pursued their goal of crafting world-class Cabernet Sauvignon by dedicating themselves to quality every step earning critical acclaim that has driven Quilceda Creek to become one of the most sought-after wines in America. Robert Parker's prestigious Wine Advocate has bestowed six 100-pt ratings on the wines, a feat only a handful of wineries in the world have matched. "There isn't a Cabernet producer with this winery's track record for consistency," wrote the Wine Advocate, presenting Quilceda Creek's 2002 and 2003 Cabernet Sauvignon with perfect 100-point ratings. Two years later, the winery received another 100 point rating from Mr. Parker's publication for the 2005 Cabernet Sauvignon and again for the 2007 Cabernet Sauvignon, followed by two more 100-pt. scores for the 2014 Cabernet Sauvignon and 2014 Cabernet Sauvignon, Galitzine Vineyard in 2017. Wine Spectator weighed in too, naming Quilceda Creek to its celebrated annual "Top Ten Wines in the World" list three times in the last decade. Most recently, Wine Advocate named Quilceda Creek "Best Washington State Winery 2017" at its Extraordinary Winery Awards for the Americas gala. The honor is presented to one winery in each major wine region of the world that "stands qualitatively above all others."

SILVER OAK

TWOMEY

Continuous improvement - or the notion that our best wines are still ahead of us - has been our driving force at Silver Oak for more than 45 years. At Twomey, we combine this philosophy, experience, and a sense of curiosity with the exploration of outstanding vineyards and growing regions from California to Oregon. Wine quality starts in the vineyard, and sites capable of producing complex, layered wines are rare. Across all of our vineyards, we pursue sites that reveal a delicate balance between place and the classic characteristics of their respective growing regions. This happy confluence of sun, soil, climate, orientation, slope and proximity to the Pacific Ocean makes a vineyard special, but farming with intention and a profound respect for the environment also plays a critical role in fruit character and quality.

Raise a glass and help fund a scholarship. For the period of September through December, Chateau Ste. Michelle will donate a portion of proceeds for every glass sold to Washington's state universities and colleges offering Viticulture & Enology (grape growing and winemaking) programs. Help us support the future generation of fine winemakers and grape growers of the Pacific Northwest. Proceeds will be donated from Ste. Michelle, Col Solare, and Eroica. Cheers and enjoy these fine wines!
